DRIVING BUSINESS GROWTH

With years of operating experience in the industry, Northwinds is committed to helping businesses reach their full potential. Our technician-first approach equips your team with best-in-class tools and training, while our leadership team ensures a seamless transition to bring out the best in your business.

Experienced Service Providers

Realize your existing business value and preserve your business for the future.

World-Class Network

Join a larger network of successful HVAC and plumbing businesses.

Dedicated to People

Support, train, and equip the people at the heart of your business.

The Northwinds Process

Thoughtful. Collaborative. Seamless.
Making the transition to the Northwinds family of brands is a breeze.

Step One

Your business is vetted to make sure we're a good match.

Step Two

You get paid the fair value of your business.

Step Three

We will work together to develop the right integration approach, alleviate administration burdens, and share best practices.

WHY CHOOSE NORTHWINDS

People First

Years of operating experience and a technician-first approach that prioritizes every team's success, including upward mobility and expert-led training.

Shared Success

We celebrate the success of local business owners by letting them capitalize on the value they've created, while supporting the continued growth of their local brand.

Supporting Local Brands

The Northwinds support team provides centralized business services like finance, IT, HR, training, and improved purchasing.

Service Excellence

Joining with other top-tier HVAC and plumbing businesses, we help drive your mission for industry-leading local service.

Are you a local HVAC or plumbing business owner that's ready to transition to the next level? Get in touch!
