**Northwinds Services Group Announces the Addition of  
All-Temp Systems Mechanical, Inc.**

Rochester, NY – Northwinds Services Group is proud to announce the acquisition of All-Temp Systems Mechanical, Inc.

“I chose Northwinds because they have the same values and will provide us with a ‘partnership,’ not a takeover of my business,” says Robert G. Zagame Jr., All-Temp Systems Mechanical President. “They have the resources which I needed to professionalize my operations and take my business to the next level of growth. I now have a whole team behind me, which is the best feeling as a business owner!”

All-Temp Systems Mechanical has built a solid reputation in the Milford, Massachusetts area since 1982 for being the Heating and Air Conditioning company who can provide quality service at a reasonable price. They believe that doing a quality job properly is the only way to do it.

“Now that we are a part of Northwinds, I am looking forward to our future growth and working with everyone on the Northwinds team,” says Zagame, Jr.

“We are thrilled to be partnering with Bob and his team. All-Temp is the service leader in the eastern Massachusetts market and this expands our Northwinds Services reach in the New England region,” says Harry Carpenter, Northwinds CEO. “We welcome the All-Temp team and look forward to supporting their growth initiatives.”

With the addition of All-Temp Systems Mechanical to the Northwinds group, they continue their commitment to developing and growing local brands and operations, while retaining and developing

local leadership teams and providing significant support in sales, marketing, customer service, operations, finance, accounting, and IT.
